

DEPARTMENT OF SURGERY

The Cooper Health System

SURGERY GRAND ROUNDS

“The Tragedies in Life are Largely Arterial”

James H. Black III, MD, FACS

**Chief of the Division of Vascular and Endovascular Therapy
Johns Hopkins Medicine**

Location: CC121

Tuesday, December 7, 2021

7:00 a.m. – 8:00 a.m.

The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of **1 AMA PRA Category 1 Credit™ per session**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All faculty participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose to the audience any real or apparent conflict of interest related to the content of their presentation. Full Disclosure Statements will be on file in the Department of CME.

The **learner objective** for this series is to improve patient care by gaining new information about therapeutic interventions, management principles, technological advancements, and prevention.

The **intended audience** for this series includes surgeons and surgical specialists within the Department of Surgery. Other health professionals including fellows, residents, medical students, nurses, and social workers may also benefit from participating in this educational activity.
